5. Can I gift this to someone else?

Yes! You will have the option to send us to a different yard, however, I do ask that you notify the occupant/owner that we are coming and ask that they turn on their porch light. If their porch light is not on, we will not stop.

6. How will we know when you are on your way?

You can opt in to a text notification and we will let you know when your yard is coming next.
